

/ SUMMIT EXTERIOR NOISE 2022

28 June 2022 | 9:00 – 16:00 h

Müller-BBM Campus Planegg, Germany

Hygiene measures

We ask all participants to inform themselves about the regulations valid at that time before traveling to the Exterior Noise Summit 2022.

To ensure that the event is as safe as possible for everyone, appropriate hygiene measures will be taken on the day of the event, which we would like to explain to you below:

- Please use the hygiene stations for disinfecting hands at the building entrances.
- In the buildings, we recommend wearing mouth-nose protection or an FFP2 mask, if the minimum distance of 1.5 m cannot be kept.
- Seating positions in the rooms are not to be altered.
- During the event and the demonstrations, care will be taken to ensure appropriate ventilation management in the premises (depending on the weather, permanently open windows or ventilation breaks or use of the ventilation systems, if available).
- Please observe appropriate walkways to direct visitors inside and follow the host's instructions.
- We ask people with cold symptoms to stay away from the event. If individuals develop symptoms typical of SARS-CoV-2 infection during the event, they will be asked to leave the event or venue immediately.

Bases for the measures (as of 12 May 2022):

- § 28 b of the Infection Protection Act
- RKI COVID-19 hygiene measures
- BAuA recommendations for action SARS-CoV-2
- Corona pandemic: framework concept for cultural events
- Internal instruction "Implementation of SARS-CoV-2 occupational health and safety standard
- SARS-CoV-2 occupational health and safety regulation
- SARS-CoV-2 occupational health and safety standard
- Risk assessment according to §§ 5 and 6 of the Occupational Health and Safety Act
- Federal States Committee for Occupational Safety and Safety Engineering (LASI) – Ordinances of the federal states

We reserve the right to adjust individual measures at short notice depending on the current Corona situation.
